

**Photo contest in connection with the special circumstances
caused by coronavirus**

Quarantine of love

A tiny virus rewrote our entire lives in the past few months. We locked ourselves in because we had to. The entire family is living at home, everyday life has changed. Love and concern have become stronger. A lot of beautiful pictures have been taken of these memorable moments for sure.

The aim of the contest:

Lions photographers need to present how they see quarantine life when it comes to its funny, joyful side. We expect portraits or scenes of everyday life for the contest. Presenting love and togetherness of the nuclear or extended families is especially important.

Conditions:

The participant accepts the conditions upon sending in the photo and applying for the contest. Lions or LEO club members from Hungary or the V4, Tri-Jumelage countries can apply with their own black and white or colored photo that was taken in 2020 or 2021. A sequence counts as one picture. A sequence can consist of 5 pictures at most. Allowed edits: cutting, changes in colors or tonality

Technical formula:

The photos must be submitted in the size of 20 MB max. in JPG format. Photos must be submitted in digital form even if it was taken with an analog camera. In case of digital photos, we can only accept pictures with the original EXIF data. Please keep the digital pictures in their original size, in order to be able to verify ownership. In case of analog photos, the participant must be in possession of the negative.
