

Considering the international epidemic situation and the Camps already cancelled as well as in- and outbound travel restrictions taken by partner Countries, the Cabinet of the Lions Association of Hungary took the following decision:

Hungarian Lions Youth Exchange Camp:

We hereby cancel the 2020 Summer Camp, together with the Host Family stay.

Many of our partner Countries cancelled also their outgoing program, for the remaining minimal number of persons it is not effective to organise a Camp.

Outgoing Hungarians:

We do not wish to restrict travelling of those young Hungarians, for whom the foreign partner Lions Organization still guarantees the Camp and/or hosting. If the possibility is given and no other dispositions forbid it, they can travel at their own responsibility.
